Saturday & Sunday from 8 am- 1 pm.  
We are closed on Holidays.

## Our Adoption Process

Our adoption fees range between \$120 and \$150.00. Acceptable methods of payment are cash, debit or credit cards. **No checks are accepted.** If you pay using a debit or credit card, a convenience fee will also be applied. Your adoption fee includes: Parvo/Distemper vaccine, Rabies vaccine, Bordetella vaccine, 3 days of Panacur dewormed, Spay/Neuter surgery, microchip, and a current Ohio dog license. Our adoption fee is non-negotiable. We do not subtract anything from the adoption fee or what is included in the fee. Once you pay to adopt a dog from us, your adoption fee is non-refundable, unless your dog should incur unforeseen complications during surgery. Dogs are pack members and thrive on spending time with their "pack", therefore, we require ALL dogs adopted from us to be HOUSE DOGS, to allow them to become happy family members. If we discover any dog adopted from us is living outside, we will seize them immediately. Your adoption fee will be non-refundable and you will not get the dog back. You will forfeit all rights and ownership of your dog immediately! We require that if you are unable to keep your adopted dog for any reason, they must be returned to us.

Please go to Facebook or Pet finder to view our adoptable dogs.
